This town has something for all ages. A must-see is the impressive Spanish fort El Morro located on the north side of the islet. Old San Juan itself consists of narrow streets encompassing over four hundred years of history and tradition—and Sheraton Puerto Rico Hotel & Casino is just five minutes from this exciting historic section. Dine in one of the celebrated establishments on Fortaleza Street, party in San Sebastián until dawn, or simply stroll along the charming, storied avenues and thoroughfares. As in Europe, a local tradition in Old San Juan is to people-watch, and there is no better place to indulge in this activity than from one of the several plazas that are located throughout the city.

#### Local Area

For a dose of nature and sparring Puerto Rican sun, beautiful beaches with clear blue water surround the island and the joy of sand and surf is just moments away. The beaches at Isla Verde are minutes away by car while the internationally famous surf spot Rincón is a three-hour drive. Tours to bioluminescent bays can be set up through the our concierge as well.

The hotel is located directly adjacent to the Convention Center, and easily accessible to the San Juan Marina. We are just 12 minutes by car from Plaza Las Americas Shopping Mall and Hato Rey Banking Center.
